Our engineers have taken acknowledged leading atomization technology and enhanced the market leading AGMD Automatic gun to produce the "AGMD PRO". Now incorporating LVMP Compliant SPRAY performance with results to match and exceed that of the traditional air caps used today. This new platform of Automatic gun technology has the ability to improve Transfer Efficiency while also providing reduced air

consumption.
Improved maintenance and serviceability comes as standard from the AGMD PRO which is vital for the high demand finishing industries.

A choice of three new high performance air caps are available ensuring the AGMD PRO gun is the ultimate choice for industrial finish quality.

The new design AGMD PRO features a simple quick detach gun head which provides reduced production downtime allowing servicing exchange for maintenance in seconds. The improved internal fluid passages facilitate efficient color change and flushing cycles required by Class A finishes.

The AGMD PRO gun can be configured

for standard machine mount

applications or upon adapters and hose

bundles suitable for most common

painting robots.
